

Hiking & Foraging Guide

Location: Chugach State Park, Alaska

Dates of Employment: May 19th through September 7th, 2025

Job Type: Full-Time (40 hours per week)

Starting Pay: \$18.00 per hour plus gratuity

Are you seeking a job where you can practice your passion? Are you an individual that loves hiking, foraging, and spending time in the wild? If so, we want you on our team! Go Hike Alaska is seeking a full-time hiking & foraging guide for the 2025 summer season. Our ideal candidate should possess relevant work experience, wilderness first response certification, and the flexibility to work different hours and days as demand dictates.

ABOUT US:

Go Hike Alaska was founded in November of 2018 with a vision of providing guided hiking experiences to adventurers from around the globe. What started as a plan to provide guided day-hikes in the Chugach State Park has evolved into a diversified lineup of unique Alaskan experiences featuring foraging & cooking experiences, historical city tours, helicopter flightseeing & hiking adventures, and multi day backpacking trips.

JOB SUMMARY:

This is a dual-role position where you will guide both hiking and foraging tours. As a hiking guide, you will guide guests on short, half-day and full day hiking tours. Our day-hiking tours focus on specific concepts, such as: flora & fauna, valleys & forests, and ridgeline trekking. As a foraging guide you will lead our “Backcountry Eats & Foraging Treats” tour. In this role, you will instruct guests how to properly forage & harvest from areas we visit. You will also show our guests how to prepare and cook any edibles found while foraging using backcountry cooking techniques featuring a variety of recipes. This job requires a high degree of knowledge of food preparation and cooking techniques. You should understand Alaska’s state parks and wilderness in different ways, including its: foraging opportunities, history, and natural resources (e.g. vegetation, waterways, ecology, topography, terrain, geology, wildlife, etc.)

You will also be responsible for the safety, transportation, socialization with and education of our guests. You should also understand basic route-finding, how to handle emergency situations, apply wilderness first aid, CPR, and communicate with the proper authorities. This role requires that you interact with guests in a professional and introspective manner. You will also need to understand the basics of photography and how to use technology such as an iPhone or iPad.
